PRIME CATTLE MARKET REPORT 7<sup>th</sup> July 2016

Swan Hill Regional Livestock Exchange prime cattle sale on Thursday 7<sup>th</sup> July saw increased number of cattle from previous fortnight sale with just over 800 head yarded. A similar quality of heavier cows were presented with bullocks starting to get scarce.

Following the exceptional prices seen a fortnight ago, this sale followed the cheaper trend experienced across other selling centres this week's. Export cattle eased 25 to 30c/kg while cows, which were in short supply, followed a similar trend, reducing by 25 to 35c/kg. A better quality run of trade cattle sold 8 to 12c/kg cheaper and the limited number of feeder cattle on offer finished 5 to 10c/kg cheaper.

The store cattle run saw similar numbers with prices holding firm. The highlight of the sale was an excellent line of light vealer, Charolais calves, selling to restockers and reaching a top of 419.6c/kg.
