

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 26th NOVEMBER 2015

The Swan Hill Regional Livestock Exchange prime cattle market on the 26th November saw a much larger yarding from the previous sale with 1370 head on offer. The majority of buyers were in attendance showing strong competition on trade and supermarket lines. However, a major export processor was absent which saw a cheaper trend with bullocks, reducing by 10c/kg. Heavy cow prices experienced further reductions ranging between 220 and 240c/kg while medium and light cows finished at 150 to 230c/kg.

Good numbers of steers and heifers saw prices remain firm with the best quality selling to rates of 300c/kg. A large number of good quality store cattle met steady competition ranging from 290 to 317c/kg for steers, and 265 to 300c/kg for heifers.

Quotations:

Category	Weight Range	Average	Top	Top pen presented by	Origin
Vealer Steers	Up to 200kg:	245.9	320.6	KG & PH Jones	Glenloch East
