

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 9th June 2016

Swan Hill Regional Livestock Exchange prime cattle sale on Thursday 9th June saw a small winter yarding of less than 450 head. While small, most of the yarding consisted of good quality cattle with excellent lines of well finished grain-fed stock. Overall, the sale followed other markets with all weights and grades meeting spirited bidding and buyers scrambling to fill orders.

A limited supply of bullocks saw prices increase by up to 20c/kg while heavy grain fed cattle rose by 15 to 18c/kg. Only a small number of cows were presented with prices increasing by 10c/kg for the better quality animals. The small number of vealers yarded also saw prices increase by up to 10c/kg. A limited offering of store cattle met very strong competition from local and district restockers.

Quotations:

Category	Weight Range	Average	Top	Top pen presented by	Origin
