PRIME CATTLE MARKET REPORT 15<sup>th</sup> SEPTEMBER 2016

Swan Hill Regional Livestock Exchange hosted its fortnightly prime cattle market on Thursday 15<sup>th</sup> of September which saw a much smaller yarding due to the constant rains throughout the week. With another large crowd in attendance, demand was very strong from the start with all our usual buyers competing to secure numbers.

Audrey & Greg Martin, local farmers from Barham

The best vealers sold to 420c/kg with most selling from 380 to 405c/kg. Some excellent grainfed and crop finished cattle ranging between 450 and 550kg sold from 345 to 380c/kg with isolated lots to 393c/kg. Very few cows were on offer and these sold to firm rates with most selling from 230 to 260c/kg.

Zac & Luke Martin from Nandaly with their large consignment of grainfed cattle
