

# Swan Hill Regional Livestock Exchange

## Prime Sheep & Lamb Sale 29th of June 2017

**Total Yarding of 9977      Lambs: 8245      Sheep: 1686**

Swan Hill Regional Livestock Exchange again ran our fortnightly sale with an increased number of lambs and a reduction in sheep numbers.

This week saw the introduction new season sucker lambs on offer, which made up to \$148/head.

It was a much cheaper market compared to our previous fortnightly sales.

Regular mutton buyers are currently not operating to full capacity which eased the overall market trend due to a decrease in demand. Although lighter weight classes saw the least effect of the price fall.

Heavy lambs were back \$15-\$20/head as did the mutton trade. While trade and merino lambs fell \$10-\$15/head in price.
