Prime Sheep & Lamb Sale 5th of October 2017

Total Yarding of 10795 Lambs: 2606 Suckers: 5146 Sheep: 2062

With Lamb numbers falling and sheep numbers slightly higher our agents offered 7752 lambs and 2062 sheep to a full compliment of trade, processor buyers and a large field of re-stockers. Less quality was seen however, on previous sales while still maintaining a fair to good quality. This saw 5146 new season lambs selling to solid trade competition with the lighter weights sought by re-stockers.

The lighter end of the new season lambs price eased slightly, while trade weights eased by \$2/head to \$5/head.

Most classes of stock mainly sold to a firm trend.

Shorn and full wool young ewes were keenly sought by re-stockers seeing very light weights selling from \$67/head to \$97/head, topping at \$135/head. Mutton followed this week's trend selling a little down on previous sales.

Rams held up in a strong market making up to \$136/head.
