

# Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 7<sup>th</sup> of December 2017

Swan Hill Regional Livestock Exchange held its final fortnightly Prime Cattle for 2017 hosting 839 head.

With a limited supply of well finished cattle, prices remained firm from previous fortnight's quotations. Prices for secondary cattle saw strong completion from feed lotters and restockers.

A limited number of cows were on offer with prices also remaining firm.

From all of us here at the Swan Hill Regional Livestock Exchange we would like to wish all our Vendors, Buyers & Agents a very happy Christmas and a safe new year.
