

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 8th of February 2018

Swan Hill Regional Livestock Exchange held our regular Sheep & Lambs sale yarding a total of 8331 head. Numbers were up on our previous fortnightly sale. Our market seen processor demand weaken resulting in a cheaper market overall. Heavy Lambs reduced by \$5/head - \$10/head. Trade weights were \$2/head - \$5/head cheaper and very few light lambs were yarded.

Mutton saw the biggest fall in price from a fortnight ago with light mutton selling from \$55/head - \$80/head. Demand was strongest for trade weight Merino ewes that offered buyers a skin rebate selling up to \$105/head. Demand for Rams was not there making them difficult to sell.
