

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 12th November 2015

The Swan Hill Regional Livestock Exchange prime cattle market on the 12th November saw a smaller yarding of 600 head. Overall better quality cattle were presented throughout the market compared to the previous fortnightly sale.

All the regular buyers were in attendance with a strong competition throughout the day. Quality heavy yearling cattle were 10 to 15c/kg dearer and a good run of cows saw prices firm to 5c/kg dearer. Small numbers of store cattle met strong demand with prices lifting by 10 to 15c/kg.
