

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 17th SEPTEMBER 2015

With all buyers being represented, 1850 head of cattle were offered at this week's sale. Overall, a cheaper trend was seen throughout the sale.

Heavy cattle, in limited supply and subdued demand, remained firm to slightly cheaper with most ranging between 300c/kg and 315c/kg.

The majority of the yarding consisted of well finished trade cattle with most making from 315c/kg to 340c/kg with supermarket and local buyers bidding strongly. A smaller supply of cows saw the demand decrease by 5c/kg to 8c/kg ranging between 250c/kg and 270c/kg. Mixed quality store cattle prices reduced by 10c/kg to 15c/kg mainly due to quality, and limited store buyer interest.
