

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 11TH August 2016

Swan Hill Regional Livestock Exchange prime lamb market sale on Thursday 11th August saw an increased yarding from last fortnight's sale with 12,724 head presented. Although all our usual buyers were in attendance, bidding was not as competitive as previous fortnight's sale.

New season sucker lambs are beginning to feature amongst the pens, prices topped at \$178/head with the majority ranging from \$125 - \$175/head. Heavy export lambs were \$5/head easier, while merino lambs were in large supply which reflected the price easing by \$10/head. Mutton steadied at \$88 - \$127/head.
