

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 30th June 2016

Swan Hill Regional Livestock Exchange prime lamb market on Thursday 30th June saw a yarding consisting 4,322 lambs, 186 hoggets and 441 mutton. Overall quality was slightly down on previous sales, however, all weights and grades met enthusiastic demand from buyers trying to source numbers to complete winter orders.

Heavy lambs sold firm to slightly dearer topping the market at \$198/head, ranging between 610 to 640c/kg. Trade lambs were in solid demand ranging between 620 and 680c/kg with most making between \$135 and \$160/head. Prime light, and lambs under 20kg sold extremely well making over 700c/kg.

A good line up of dorper lambs also met very strong competition with an exceptional pen of well finish dorper lambs reaching \$172/head. Reduced numbers of merino lambs sold \$5 to \$10/head dearer than last sale topping at \$159/head. A limited number of mutton were keenly sought after topping at \$138/head with most heavy mutton between 360 to 400c/kg and light mutton out to 450c/kg.
