

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 3rd March 2017

Yarding 843

Swan Hill Regional Livestock Exchange again held its fortnightly cattle sale yarding a total of 843 head. The market stayed firm & up to 8-10 cents better than last fortnight. One heavy exporter who was absent the previous sale attended but was limited in purchases due to pricing.

Heavy cattle stayed firm to 8 cents better with Trade cattle 8 – 10 cents up across the board.

Two added feed lot orders saw feeder prices remain firm with the heifer portion better.

Store cattle saw strong competition from both local and visiting buyers. Cows stayed firm on all round quality.
