

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 2 7th April 2017

Swan Hill Regional Livestock Exchange held its fortnightly Prime Cattle sale with a smaller yarding resulting from wide spread good autumn rain throughout the region.

Stronger yarding of bullocks saw prices range from 320 to 337c/kg. With a large penning of grain and supplementary fed cattle being up to 10c/kg dearer, mainly due to major exporter being active.

Cows held firm to 5c/kg dearer from previous fortnight sale.
