

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 11th May 2017

Swan Hill Regional Livestock Exchange held its fortnightly Prime Cattle sale with a reduced yarding of 550 cattle which sold to slightly cheaper trends.

Heavy trade cattle and bullocks sold firm to 5c/kg cheaper from previous fortnight's quotations. Prices for cows also saw a decrease of 5-8c/kg across all weight categories.

With only a limited number of trade & vealer cattle on offer prices also remained firm.

A quality run of store cattle met strong completion and sold very well to be 5-10c/kg dearer.
