

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 17th August 2017

Thursday 17 August, Swan Hill Regional Livestock Exchange held its fortnightly Prime Cattle sale which saw a reduced yarding of 600 head. A reduction in competition early in the sale saw an overall fall in prices with 317 export cattle and 283 trade cattle on offer. Prices were generally 10-20c/kg cheaper across all categories. Heavy export cattle reached a top of 344c/kg and the best trade vealers made up to 317c/kg. A good run of lighter weight cattle presented for sale from the north which kept up with yesterday's market expectations. Only 2 bulls were weighed making up to 246c/kg.
