

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 24th May 2018

Swan Hill Regional Livestock Exchange Agents increased numbers to just over 1300 head this week including around 350 Store Cattle. Lighter stock accounted for the lift in numbers for our regular fortnightly sale. Well finished cattle were keenly supported by re-stockers and feed-lotters accounting for a firm to dearer market. Plainer cattle however did sell cheaper than a fortnight ago. Re-stockers gained some excellent lines of young, well bred Charolais heifers and steers making up to 317c/kg. Quality heifers saw the strongest results making to 313c/kg. The cow run produced some very light conditioned pens selling to re-stockers while beef cattle went to processors with prices lifting to 204c/kg. Competition for Store was firm on 2 weeks ago given quality and weight, bidding was mainly from local areas.

Quotations:

Category	Weight Range	Average	Top	Top pen presented by	Origin
