

Swan Hill Regional Livestock Exchange

PRIME CATTLE MARKET REPORT 12th April 2018

Swan Hill Regional Livestock Exchange hosted its fortnightly prime cattle market on Thursday 26th April with agents penning a much smaller yarding than the previous fortnight with 1000 cattle. Amongst the yarding we saw heavy grain fed cattle selling to firmer rates as did heavy cows. Grain fed cattle topped at \$3.10 per/kg while Vealers topped the market at \$3.30 per/kg.

The yarding also comprised of cattle showing the effect of the dry conditions with a number of store type cattle going back to local feedlotter.
