## PRIME CATTLE MARKET REPORT 21<sup>st</sup> June 2018

Swan Hill Regional Livestock Exchange held our regular fortnightly Prime Cattle sale this week seeing Agents yard 1065 head. Buyers had some very good lots cattle off grain to select from increasing the overall quality of the total yarding. A dearer trend was seen for heavier stock due to demand by domestic & processor buyers in good spirits. Limousin & Charolais-cross steers & heifers remained consistently above 300c/kg, an increase of 10c/kg to 40c/kg.

The best performing stock was excellent quality, well finished grain fed steers selling to 336c/kg, bringing averages to 324c/kg. Heifers from the same property again topped the market at 325c/kg, bringing the average heifer quotations up to 312c/kg.

Cow prices dropped slightly from last fortnight to average 191c/kg
