

# Swan Hill Regional Livestock Exchange

## Prime Sheep & Lamb Sale 23<sup>rd</sup> August 2018

Swan Hill Regional Livestock exchange yarded just over 15000 head at this week's fat sale with producers making the most of the current trend in prices. We saw one of Swan Hill's biggest yarding's of Mutton & Lambs for quite some time. Quality in Lambs was slightly down, however the new season sucker quotations reached \$239/head. Overall, prices from our regular buying group reflected the overall quality of the yarding.
