

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 6th September 2018

Swan Hill Regional Livestock Exchange held its regular fortnightly Sheep & Lamb sale this week seeing agents yard just over 14000 head. Agents offered a beautiful run of trade lambs out of Moulamein to see quotations rise by \$10-\$15/head. We saw our regular run of enthusiastic buyers as well as the addition of an extra processor ensuring prices across the board lifted on last sales quotes. Some good runs of new season sucker lambs were presented for buyer competition lifting in both quality & price. Mutton prices lifted again for the better runs & remained firm for the lighter runs showing the stress of the current weather conditions.
