

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 11th OCTOBER 2018

Quality remained mixed this week at the Swan Hill Regional Livestock Exchange as Agents offered 1100 head. Although this week's market attracted a reduced buying group, prices showed some gains across the limited runs of supplementary fed steers & heifers. Domestic buyers pushed quotations to 327c/kg for the better trade weight steers. Amongst this week's yarding were a wide variety of calves weighing less than 180kg with some young weaned Charolais selling to 353c/kg, yielding an excellent return for vendors. Quotations remained firm for Export weight Steers with the heaviest producing 282c/kg. Processors were keen to bid on weights between 400kg & 500kg pushing prices above 300c/kg. The cow market showed a dearer trend with the better covered cattle making to 218.6c/kg.
