

Swan Hill Regional Livestock Exchange
Prime Sheep & Lamb Sale 1st November 2018

This week saw Agents combine our last fat sale of the year with a store sale, yarding a total of 19770 head. The top pens of Store Merino Ewe's, 2017 drop, made to \$220/head. A drop in demand created a weaker sale overall, with prices ranging from \$10 to \$20/head lower for light to light trade weight lambs, and the heavy to medium lambs selling \$20 to \$30/head cheaper than last fortnights quotations.

Mutton supply lifted, quality was mixed, although on average the offering did show more cover, with majority shorn Merino's. Prices were weaker on last week for the heavy and medium weight sheep as they sold \$10 to \$20/head cheaper, with the light sheep a few dollars easier
