

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 7th March 2019

Swan Hill Regional Livestock Exchange hosted our regular Sheep & Lamb sale this week seeing agents yard half of our regular numbers. Producers responded taking into account a number of factors including the extended dry conditions, less than ideal market trends and the upcoming Labour Day long weekend. The limited supply of Heavy Lambs topped the market at \$184/head while supplementary fed lambs were scares; they encouraged the most enthusiastic bidding from a small but regular buying group.

Mutton supply was limited and quality was reflected in the prices. Quotations remained down across all categories seeing Sheep pricing trends also reflect the trying times across the board.
