

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 4th April 2019

As we bare witness to another fortnight without substantial rain, the yarding at the SHRLE rose by 9000head, for a total number of just over 13000 head. The 9600 lambs sold well to our regular buying group plus another processor that has been quite this year, making for a more competitive market. Agents presented a good quality yarding this week with an excellent run of supplementary fed heavy and extra heavy lambs, selling \$10/head - \$20/head dearer. Re stockers were active paying from \$80/head - \$139/head for their lambs. Quotations for Sheep also followed the dearer market trend with a number of pens of heavy Merino and Cross bred Sheep selling to strong competition. The Merinos selling to \$157/head and the Cross breeds making up to \$170/head.
