

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 9th of May 2019

As our normal fortnightly Cattle sales resumed this week after a short break, bringing numbers back to 720 head. With some excellent runs of high yielding supplementary fed Euro type cattle, quality ranged from average to very good across the board. With our regular buying group in attendance, grown steers sold to keen demand with quotations ranging from 280c/kg to 306c/kg. Feedlotters and Re stockers alike paid from 220c/kg to 259c/kg for the younger cattle while yearlings sold to 339.6c/kg. Manufacturing Dairy type steers sold to 204c/kg while Heavy cows sold to 235c/kg leaving lighter cows to sell to 176c/kg. Given the opportunity to chat with Producers' this week, it was great to hear how much rain fell across the region and the significant lift in sprits it bought with it.
