

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 23rd of May 2019

Noticable decreases in numbers were sold through the SHRLE this week seeing Agents yard 418 head. Our core buying group operated with Re-Stockers showing signs of looking to rebuild herds. Weather conditions in the area are yet supply significant relief forcing numbers to remain low. A very good run of Charolais steers & heifers off supplementary feed boosted the Trade run, helping to average dearer than a fortnight ago. The leading runs of yearlings & vealers produced 36 pens with quotations 300c/kg & above.
