### Prime Sheep & Lamb Sale 16th May 2019

This week Agents had a slightly smaller yarding of 6706 but prices were firmer. Regular buyers were present as well as outside buyers. Lots were competitively bought with the vendors reaping the rewards of a \$10-\$15 dearer market across Crossbred lambs & merino lambs.

Mutton also saw an upward trend being \$10 dearer than last market.

Stock presented was of good quality which was reflected in the price with increases across the board.
