

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 20th of June 2019

This week at the Swan Hill Regional Livestock Exchange Prime Cattle sale, Agents yarding lifted to just under 900 head. Well bred younger heifers & steers suitable for feed lotters & re-stockers were predominant throughout the sale & kept buyers bidding enthusiastically. The more consistent buyers helped to maintain price averages firm to dearer on last fortnight's quotations. The best of the supplementary fed steers & heifers sold to 335c/kg. Although this week's top prices did not match the fortnight before, average prices lifted across the board reflecting the yarding quality & consistency. The only exception across the sale were lighter young cattle with too much turnaround time for re-stockers, saw their quotations decline to 10-15c/kg cheaper.
