## Prime Sheep & Lamb Sale 25th July 2019

This week's Sheep & Lamb sale saw over 10000 head exchange hands. Heavy lambs finished \$10/head to \$20/head cheaper given one of our major export buyers not purchasing due to maintenance. Trade lambs fared with better quotations selling firm to \$5/head cheaper. The best merino lambs sold firm to \$10/head cheaper while plainer types sold to \$15/head to \$20/head cheaper than last fortnight. Very few sheep were on offer this week selling to slightly cheaper rates topping at \$210/head for a small pen of Merinos.
