

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 1st of August 2019

Numbers & quality reduced at the Swan Hill Regional Livestock Exchange at this week's prime cattle market. The exception was some good runs of supplementary fed heifers & steers where quotations remained firm on a fortnight ago with an additional super market buyer with an order to fill. Whilst a major exporter was absent bidding remained intermittent from our core buying group. Quality runs of yearlings sold to re-stockers & feed lotters firm on last sale. The cow market finished 5c/kg to 10c/kg cheaper on last sale averaging 245c/kg to 285c/kg.
