

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 15th of August 2019

Head numbers lifted this week at the Swan Hill Regional Livestock Exchange to just over 800 head. Agents supplied an excellent run of supplementary fed steers & heifers to fill orders for our regular domestic & supermarket buyers. Domestic processor competition lifted quotations across the yearlings to finish firm to a few cents dearer. Agents presented a few stand out pens across all categories making for a sale that performed on quality across the board. The cow market weakened to finish 20c/kg discounted on last fortnight. Assisted steers averaged from 330c/kg to 360c/kg while heifers averaged 315c/kg to 348c/kg. Processors, feed lotters & re-stockers paid from 220c/kg to 290c/kg for the better runs, while secondary types sold below 200c/kg.
