

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 29th of August 2019

Numbers doubled to over 1300 head at this week's Swan Hill Regional Livestock Exchange Prime Cattle Sale. With limited rainfall around the district, numbers came from as far North as Menindee. Agents presented a generally plainer yarding to our regular buying group. Cows were well supplied with quotations 10c/kg to 15c/kg dearer for the better runs with some lighter cows remaining firm. There were some impressive runs of Grain fed cattle sold, reaching 364c/kg for a locally fed lot. The best end of the Trade run sold to 5c/kg to 10c/kg lighter as did most secondary very plain cows. This sale saw runs of small early weaned calves and a large run of store cattle offered but sold to limited competition ranging from \$100/head for smaller Hereford types through to \$500/head for the heavier better covered stock.
