

## Swan Hill Regional Livestock Exchange

### Prime Sheep & Lamb Sale 8th August 2019

As supply tightens across the district agents yarded just over 5000 head at this week's Sheep & Lamb market in Swan Hill. Prices reflected a lack of competition across most categories with two regular buyer missing and some others operating at a reduced capacity. Strong support was seen across the limited supply of mutton pushing a large run of cross bred ewes to finish at \$226/head. Heavy Lambs softened slightly topping at \$251/head while the pick of the trade run eased to top at \$228/head. The light end of the yarding comprised predominantly of dopers', they averaged around \$120/head to \$170/head. While the market did fluctuate across the board producers still gained some sound results.
