

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 22nd August 2019

This week at the Swan Hill Regional Livestock Exchange Agents yarded just over 5000 head as numbers decline across the region. We haven't seen the usual numbers of new season lambs however over 600 were offered to the usual buying group who didn't operate fully due to, in part, to limited numbers and the dearer trend emerging. Quality processor lambs gained \$10/head to \$\$20/head this week while lighter weights also trended dearer. A smaller selection of mutton was offered showing a noticeable increase in condition and weight as the season begins to improve. The best of the Sheep run topped at \$190/head.
