

Swan Hill Regional Livestock Exchange
Prime Sheep & Lamb Sale 5th September 2019

This week's market saw the first of the larger runs of new season lambs. Although most runs were of very good quality, it is evident that some follow up rain would be of great benefit to the coming lines of suckers. The best topped the market at \$238/head for a pen of 22 head out of Lalbert. The lighter sucker lambs saw strong store competition provided from mostly local producers. Due mainly to quality, the old lamb prices fell \$10/head to \$15/head. Mutton experienced limited bidding with prices slipping up to \$10/head across these categories following trends seen at most yards across Victoria.
