Our family has been thriving to achieve the best quality ewes that will produce wet, meaty, strong and sound rams that will not only survive in tough conditions but breed well in them as well. We think that we have a very good blood line at the moment for this job after 10 years of selecting and being hard on our ewes. Selecting for ewes that give well balanced meaty, good bone, great shedding and wet rams.

SWAMP ROAD DORPER STUD & Bunnerungie White Dorpers would like to thank you for attendance and please join us for BBQ lunch & drinks.

We would also like to thank Rabo Bank for sponsoring us along with BR&C Agents and Auctions plus auctions for all their work, and Red Cliffs Butchery for meat supplies.

A big thank you to everyone who has helped us put this together.
