

## Swan Hill Regional Livestock Exchange

### Prime Cattle Sale 10<sup>th</sup> of October 2019

In a mixed quality yarding Agents presented nearly 1460 head at this week's Swan Hill Regional Livestock Exchange Prime Cattle Sale. Well finished cattle were offered alongside northern drought affected stock in a market that finished strong across the processing, feedlot and re-stocking categories. With some processors operating at reduced capacity, our regular feedlot and re-stocker buyers kept the market ticking within a reduced buying crowd. The best grainfed steers finished at 328.6c/kg with heifers topping at 268c/kg. A small offering of Bullocks made to 305c/kg while good beef type cows topped at 258c/kg. The drought affected plainer cows finished between 125c/kg through to 185c/kg.
