## Prime Sheep & Lamb Sale 3<sup>rd</sup> October 2019

Agents offered a good sized yarding of just over 11,000 head at this week's Sheep & Lamb sale in Swan Hill. With new season lambs entering the yards in greater numbers, the prices once again reflected quality. Heavy quality lambs were \$5-8 dearer. Lambs reflecting the seasonal conditions still held firm prices and old lambs were \$10-\$15 dearer. Mutton surprisingly held very good prices across the board with some runs being \$15-\$20 dearer than last fortnight. Dorper Lambs also sold well with prices being higher across the board even if they didn't top as high as last fortnight.
