

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 21st of November 2019

On a day declared a Code Red conditions were less than ideal at this week's Prime Cattle Market in Swan Hill. Agents worked hard, offering just over 850 head in a mixed quality sale. Our regular processor, feedlot & restocker buyers competed on the quality runs, keeping quotations mostly firm on last fortnights' market. Finished Steers sold to 312c/kg while the Heifer portion sold to 295c/kg. Feedlot suitable Heifers averaged between 235c/kg to 285c/kg. Heavy beef cows were in good supply & remained firm at 280c/kg, while the average lines sold to a slightly cheaper trend, down 5c/kg to 10c/kg.
