

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 23rd July 2020

A small yarding of 3250 head at Swan Hill Regional Livestock Exchange this week produced less than ideal quotations. The temporary shutdown of multiple processing facilities in Victoria has resulted in competition in our market falling away, pulling prices down across all categories. Those that were bidding stayed selective keeping prices \$20 per head to \$30 per head cheaper than last fortnight. One stand out for the day was the inclusion of some local new season lambs that sold to \$178/head.
