

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 25th of March 2020

Agents yarded just over 550 head at this week's fortnightly Prime Cattle Sale in Swan Hill. The Export run was short given the reduced supply with the majority of cattle yarded being feeder & store types. Cows offered sold firm when compared to last fortnight's quotations. Bidding for young cattle, suited to re-stockers, was very strong seeing locals add to their herd after some recent favourable weather conditions.
